This Secret Freed-Hardeman Handbook Belongs to

If you find this book, please return it to its owner. If you aren't sure who the owner is, just take a few steps — slowly, very slowly — over to the nearest trash can (or recycle bin, preferably) and set it right inside. Forget this book ever entered your life. Because it didn't. In fact, just tell yourself that this is all a dream.

Besides, you would probably get caught if you didn't dispose of it, anyway. “Why?”, you ask? Because our members are everywhere, having fought through not-so-rigorous admissions processes while cloaked in the secrecy found in the pages to follow. At FHU, opportunities abound, leaping toward you like a magical unicorn... over a rainbow... ridden by a leprechaun. See, we told you it was all a dream.

Welcome to the Very Secret Initiation of
Freed-Hardeman University. This organization
exists to establish an invisibly transparent
admissions process. Don't worry if it's a little
hazy now; it will all be clear by page 11.
